COTTON NOT CONTRABAND

Special Vable Despatch to The Sex.

London, April 14.—The House of Cimmons reassembled to-day. Except for the absentees employed in the war service, there was a large attendance in expectation of at least some indication, if not a disclosure, of the Government's policy on the drink question. This expectation was disappointed. The session bare's exceeded half an hour in length, during which some interesting effect on bare's exceeded half an hour in length, during which some interesting effect on the Executive Department, for the various charitable State institutions ostensibly for deficiencies, but in reality for increases in expenditures and salaries. If ordinary business economy in a year of financial stringency were exercised, the supply bill could be kept to a total of last year's figures and \$2,720,600 cut from the proposed appropriation bill is due principally to increase in the appropriation for interesting of at least some indication, if not a disclosure, of the Government's policy on the drink question. This expectation was disappointed. The session bare's exceeded half an hour in length, during which some interesting effect on the Executive Department, for increase in the appropriation for interesting out of the proceeds of the collection of the direct tax.

"The increase of \$2,140,000 in the general appropriation bill is due principally to a total of last year's figures and \$2,720,000 cut from the proposed appropriation.

"The increase of \$1,000 of the proceeds of the collection of the general appropriation bill is due principally to a total of last year's figures and \$2,720,000 cut from the proposed appropriation.

"The increase of \$2,140,000 in the general appropriation bill appropriation for the various charitable State institutions ostensibly for deficiencies, but in reality for increases in capacitation of the collection of the collection of the creation of the proposed of the collection of the proposed of the sall of the proposed of the collection of the proposed of the co
